

Activating My Visual Assistant is very easy!

To begin, follow these 4 steps!

Find more information at www.accessibilite.sncf.com

My Visual Assistant (M.V.A)

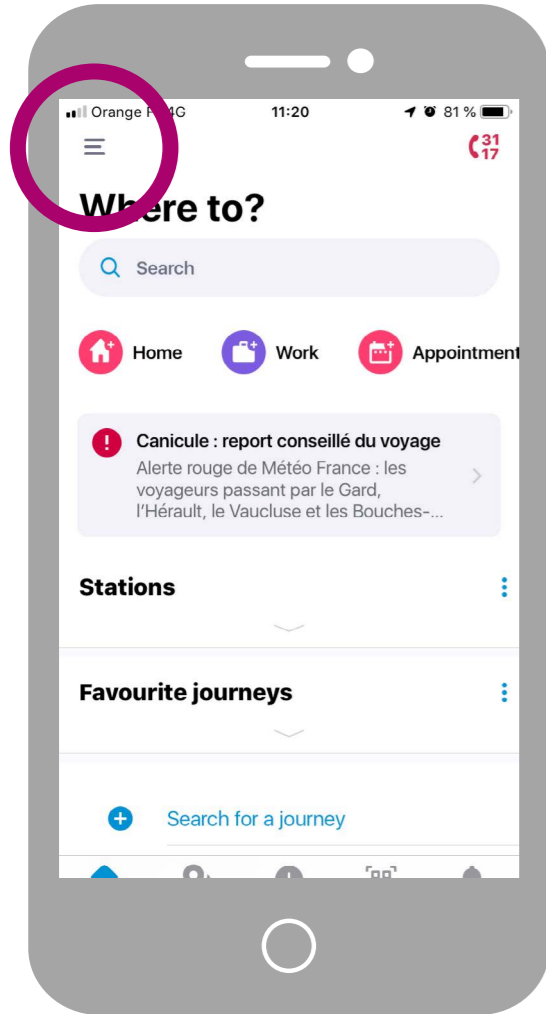

During your trip, receive announcements directly from your train manager via the SNCF app on your smartphone (iOS and Android).

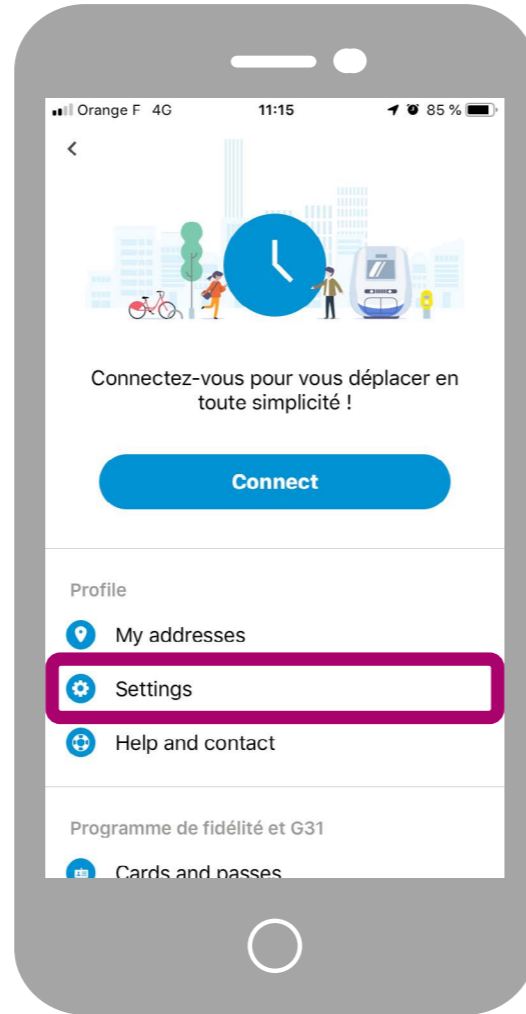

My Visual Assistant (M.V.A)

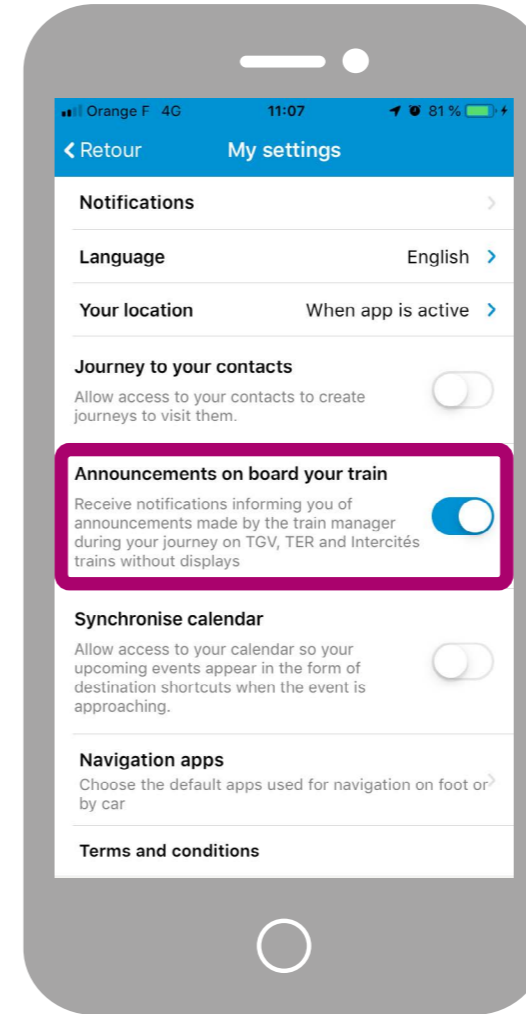

1 Select the menu at the top left of the SNCF app home page

2 Click on «settings»

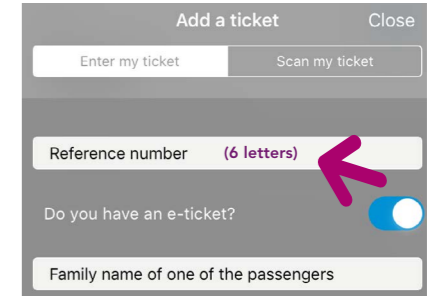

3 Tick the box for «On board announcements»

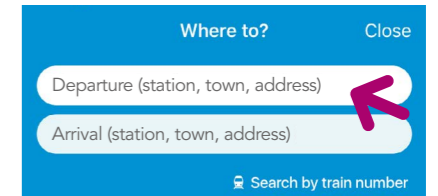

4 Add your trip (a one-off trip or a favourite trip), by:

→ Using your booking reference number (DV)

OR

→ Searching by departure-arrival times or by train number

OR

→ Using your smartphone to scan the QR code on your ticket
